

If you are an amazon shopper you can support the fire company and it won't cost you a dime. Smile.amazon.com donates ½% for any qualified purchases (most purchases are qualified). You just need to designate O. L. Davis Fire Company as your charity. To do this:

- Sign on to amazon.com using your user name and password.
- At the top right of the page go to "your account"
- Under account settings go down to the next to last item "change your charity"
- In the "select your own charity" type in "O L Davis Fire Co" and search. The fire company name should come up and select this as your charity. (see attached)

Once you have selected the charity just remember when you are purchasing items to go to "smile.amazon.com" (rather than just amazon.com) to make your purchase. When you sign on to smile.amazon.com at the very top of the screen it should say "Supporting O. L. Davis Fire Co.". Then, whenever you make a purchase, amazon.com will make a donation to the fire company for your purchases. Again, it doesn't cost you anything extra and the fire company benefits from the donations.

Choose from almost a million charities, schools, and other nonprofits. We will reach out to the organization you select to ensure it is ready to accept donations from Amazon.
